

**2022 SPRING NEWS
FROM NORLAND:
JOIN US THIS SUMMER
ON DEER LAKE!**

We're ready! The last 2 years have been quite a time of preparing, praying, & praising... preparing Norland for new seasons of ministry on Deer Lake, praying for God's vision for the site in the years to come, and praising Him for the ways we've seen His provision. We welcome you to join us by volunteering during **Work Week May 4-7** or funding one of the work projects listed below. Register yourself or the younger ones in your life for a **2022 Coldwater Canada program**. Stay tuned for **more info on events** we hope to run this summer at Camp Norland or contact us to **reserve a spot for your group in 2023!**

Coldwater Canada has been Norland's key programming partner on Deer Lake for the past few years. Camp Norland is the base camp for many of Coldwater's wilderness trips throughout the warmer months. Leadership development, character building, and faith encouragement are some of the main goals in Coldwater's programming. We are happy to be part of what God is doing through Coldwater Canada in Northern Ontario.

Note from Matt Gray, Coldwater Canada Director:

"Camp Norland, thanks for the work you do throughout the year to allow our ministry at camp to happen. To all of you, we are grateful!"

Inspiring Quotes from Coldwater

I really love the bonding that happens on these trips, the fun memories, being out in nature and sensing God's presence all around me.

I always used to say I couldn't do hard things because I was weak. But now I know that I'm not weak... now, when something is hard, I can say that I'm strong and that I can do it!... I'm going to be more accepting of who I am... I already knew I was different, but because of this trip, I now know that this different is good!

That was the biggest lesson for me: trusting people with my flaws. I'm at a really different place with being open about that than I was going into this trip.

This trip was really good for me and it got me back on the right path. It led me to make some really important decisions about my faith...
