

2022 CHRISTMAS NEWS FROM NORLAND

Glory to God in the highest, and on earth peace, good will toward men. ~ Luke 2:14

May you experience God's glory and peace this Christmas season, and discover ways to share those precious gifts with others!

Camp Norland is a 60-year-old gift. What started as a God-given idea among a group of churches in Northern Ontario turned into a request presented to the Ackerland family in Kipling for a plot of land. This land was given freely to use for God's purposes in reaching children, youth, and families with the hope of Jesus. There have been times of ease and times of difficulty, but the gift keeps on giving. We hope to share this gift with you, as we seek to build a strong North through the individuals and groups that come to experience the beauty and hope that await on Deer Lake!

COLDWATER CANADA is Norland's main partner—they are at camp most of the summer months, running leadership development programs and wilderness trips for all ages. A quote from a 2022 trip participant:

I grew to appreciate the need for dependence on God, because in every situation out of my control I learned how important it was to trust in Him to see me through.

Coldwater also runs Bedrock overnight camp for the younger ages. Watch this video for a day in life of Coldwater staff: <https://www.facebook.com/reel/397784275672351>
