

HAPPY EASTER / SPRING 2023 FROM CAMP NORLAND!

The summer of 2022 was a wonderful time of re-introducing programming and retreats on the shore of Deer Lake. People of all ages and backgrounds enjoyed their time both on the camp grounds & heading off on Coldwater wilderness trips. There was something for everyone, and we're looking forward to more of the same for the summer of 2023.

Whether you are an individual, church, organization, or group, from youth to senior—please feel free to connect with us about opportunities. Email norland@norland.ca for availability and prices for gatherings of all kinds at Camp Norland!

Inspiring Quotes from Coldwater

I learned that in hard times I can persevere and trust God.

Getting to serve during BEDROCK was a great experience. I loved connecting with the kids, building relationships with them, teaching them about God... The week taught me all about gratitude.

It was challenging to try new things and step outside my comfort zone, but it was cool to push myself and see how strong I actually am and how much I can actually do.
